Hello Vincent/Sylvia,

I am working with the YMCA on the LASAN/YMCA Hygiene Center Showers for the homeless, would it be possible to get three (3) locations in the southern end of your district where we could have DOT pick-ups to bus homeless individuals to the YMCA on Vermont & Century? I will need the locations ASAP as we would like to start the program on Monday April 27th.

Apparently, the Crenshaw YMCA does not have hot water access to their showers so that is not a viable option to have the CD 10 unhoused residents bused to for hygiene purposes. We do utilize the Y in Koreatown for this program and it services CD 10 clients on the northern side of the district.

We will also be busing in clients from council districts 8 & 9 to this location.

Much Appreciated,

Renée
